EDUCATIONAL PARTNER PROGRAMME

ESPGHAN provides a variety of educational activities, events and information that are available throughout the year. The ESPGHAN Education Partner Programme (EPP) was launched in 2015. Based on the 2015 adopted ESPGHAN Code of Conduct, the EPP has been developed to ensure the on-going development and implementation of an up-to-date, independent, high quality educational programme for health care professionals. The dedicated support and financial commitment from our partners helps to enhance and stabilize support for ESPGHAN’s educational activities. The EPP educational activities for 2016 are:

We sincerely thank the following EPP partners for their generous support and commitment:
WHO WE ARE
We are a multi-professional organisation dedicated to the promotion of the health of children with special regard to the gastrointestinal tract, the liver and nutritional status. Our members include clinicians, scientists, trainees, and allied health professionals.

WHAT WE DO
• provide representation for professionals involved in paediatric gastroenterology, hepatology and nutrition
• promote basic, translational and clinical science
• lobby for stronger support of research
• offer the highest standards of education to our members and other involved professionals
• focus attention on new investigators and trainees to ensure they are supported and encouraged
• serve as a source of competent advice for governments, international agencies, and relevant stakeholders

HOW WE DO IT
We achieve the above by knowledge creation, the dissemination of science based information, the promotion of best practice in the delivery of care, and the provision of high quality education for paediatric gastroenterology, hepatology and nutrition professionals in Europe and beyond.

HOW TO JOIN US
For information on different membership types and application procedure please visit our website www.espghan.org or contact the ESPGHAN Office via office@espghan.org.
