Summary of Activities in 2023

A. Committee meetings (date and any main points/activities)

(one table per meeting – please just copy and paste the tables as often as needed)

Meeting	April 2023
Location	Virtual meeting
Date	6 th April 2023
Main Points / Activities	Updates, focus on PAC / QoC task force, summer school and papers

Meeting	June 2023
Location	Virtual meeting
Date	30 th June 2023
Main Points / Activities	Updates, Endorsements, focus on Annual Meeting, ERN, other educational events, publications quick updates

Meeting	Sept 2023
Location	Virtual meeting
Date	6 th September 2023
Main Points / Activities	Brief updates, Focus on planning of Annual Meeting Liver sessions

Meeting	November 2023 Face to Face
Location	Geneva
Date	17 th November 2023
Main Points / Activities	Updates, open positions, planned educational events, focus on manuscripts

Meeting	Jan – Feb 2024
Location	Dublin
Date	31 st Jan – 1 st February 2024
Main Points / Activities	Updates, voting on new members, educational events, papers

B. Educational activities

(i) Educational Events

(one table per event – please just copy and paste the tables as often as needed)

Full Event Name	Hepatology Summer School
Location	Tirrenia, Pisa, Italy
Date	4-7 th October 2023
Organizer	Giuseppi Indolfi
Email Organizer	Giuseppe.indolfi@meyer.it

EPP	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
UEG Training Support	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
more information if available	Oversubscribed summer school	

Full Event Name	Monothematic conference on Portal Hypertension	
Location	Dublin, Ireland	
Date	1 – 3 rd February 2024	
Organizer	Emer Fitzpatrick	
Email Organizer	Emer.fitzpatrick@ucd.ie	
EPP	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
UEG Training Support	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
more information if available		

(ii) **E-Learning**

(one table per project – please just copy and paste the tables as often as needed)

Full Project Name	Webinar: Portal Hypertension
Project Timeline	September 2023
Project Leader	Tassos Grammatikopoulos
more information if available (applied for UEG support? Etc)	

Full Project Name	Webinar: Too sick to transplant
Project Timeline	October 2023
Project Leader	Akash Deep and Valerie McLin
more information if available (applied for UEG support? Etc)	

Full Project Name	Webinar: Wilson Disease
Project Timeline	November 2023
Project Leader	Tudor Pop
more information if available (applied for UEG support? Etc)	

C. Committee Publications / Guidelines / Position Papers

(i) **Completed**

(one table per publication – please just copy and paste the tables as often as needed)

Publication ID (to be filled in by Office)

G. Any other issues that may be of interest for Council/AGM

Outlook on Planned Activity for 2024

A. Committee meetings (date and any main points/activities)

(one table per meeting – please just copy and paste the tables as often as needed)

Meeting	Face to face meeting (Strategy meeting)
Location	TBD
Date	Autumn 2024
Main Points / Activities	Strategy / Education activities / papers

Meeting	Face to face meeting
Location	Bergamo
Date	Feb 2025
Main Points / Activities	Education activities / papers

Meeting	Virtual meeting
Location	Virtual
Date	Every 2 months (March, April, June, September, December)
Main Points / Activities	Updates, Education activities / papers

B. Proposed Educational activities

(i) Educational Events

(one table per event – please just copy and paste the tables as often as needed)

Full Event Name	Liver Transplantation School
Location	Brussels, Belgium
Date	25 th September 2024
Organizer	Xavier Stephenne, Norman Junge, Emanuele Nicastro, Emer Fitzpatrick
Email Organizer	Xavier.stephenne@uclouvain.be
Applied for EPP	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
Applied for UEG Training Support	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
more information if available	

Full Event Name	Monothematic Conference Fatty Liver Disease
Location	Bergamo, Italy
Date	6-8 th Feb 2025
Organizer	Emanuele Nicastro
Email Organizer	
Applied for EPP	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
Applied for UEG Training Support	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
more information if available	

(ii) E-Learning

(one table per project – please just copy and paste the tables as often as needed)

Full Project Name	MOOC (in development)
Project Timeline	2024 - 2025
Project Leader	Tudor Pop
more information if available (applied for UEG support? Etc)	Proposal submitted to education committee – Hepatology MOOC

Full Project Name	Webinar: MASLD (new nomenclature)
Project Timeline	March 2024
Project Leader	Bart Koot
more information if available (applied for UEG support? Etc)	

Full Project Name	Genetic analysis in various liver disease phenotypes
Project Timeline	April 2024
Project Leader	E Nicastro and E Gonzales
more information if available (applied for UEG support? Etc)	

Full Project Name	Webinar: Management of Pruritis
Project Timeline	June 2024
Project Leader	June 2024
more information if available (applied for UEG support? Etc)	

C. Proposed Committee Publications / Guidelines / Position Papers

(one table per publication – please just copy and paste the tables as often as needed)

Full Publication Title	Steatotic Liver Disease and Metabolic dysfunction Associated Steatotic Liver Disease in children and adolescents: new definition, screening, diagnosis and follow-up.			
Publication Timeline and Status of Application for Paper	Application approved by council			
Publication Leader	Ruth de Bryune			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input checked="" type="checkbox"/> Update of existing paper	<input type="checkbox"/> Other
More information if available				

Full Publication Title	Diagnostic Approach to Abnormal Liver Tests in Children and Adolescents – ESPGHAN Position Paper			
Publication Timeline and Status of Application for Paper	For submission to council			
Publication Leader	Benno Kohlmaier			
Publication Type	<input type="checkbox"/> Guideline	<input checked="" type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input type="checkbox"/> Other
More information if available				

D. Suggestions for New Special Interest Groups

(one table per special interest group – please just copy and paste the tables as often as needed)

Full name of Special Interest Group:	Biliary Atresia	
Contact Person: (full name & email)	Orit Waisbourd-Zinman	oritwz@gmail.com
Aims	To develop a group of interested paediatric hepatologists, surgeons and Scientists in biliary atresia in order to further position papers, guidelines, knowledge creation and dissemination in the topic.	
Financial Needs:	Euro 6000 per anum to cover costs of face to face meeting	

E. Suggestions for New Working Groups

(one table per working group – please just copy and paste the tables as often as needed)

Full name of Special Interest Group:	Working Group on PSC in children	
Contact Person: (full name & email)	Marianne Samyn	Marianne.1.samyn@kcl.ac.uk
Aims	<p>There are many unanswered questions in PSC and in PSC-IBD, spanning epidemiology, pathophysiology, diagnosis, and therapeutic management. Here, we propose establishing an ESPGHAN Working Group (WG) with a 3-year term that will:</p> <ol style="list-style-type: none"> 1- Create a large network of paediatric hepatologists and gastroenterologists with interest in PSC and PSC-IBD 2- Run a retrospective collaborative study aimed at collecting relevant information on a large cohort of European children with PSC and PSC-IBD <p>The deliverables of the WG will be:</p> <ul style="list-style-type: none"> - collaborative retrospective research study - educational activities - advocacy on behalf of affected young people and their families <p>The PSC WG will remain in close discussion with the Hepatology Committee and the GI Committee and other ESPGHAN Working & Specialist Interest Groups, especially the IBD Porto Group, to ensure the groups work in a complementary nature without overlap.</p>	
Financial Needs:	Euro 6000 per anum to cover cost face to face meeting	
Expected Date of Completion:	3 years	

F. Financial Report / Budget for 2024:

- Kindly attach or copy paste your submitted budget request for 2024

ESPGHAN Committee Budget Template 2023 Committee Name: Hepatology Committee
--

Activities 2024 (i.e committee meeting, guideline, workshop)	Estimated cost
Committee meetings Jan - Sept @ 2 x 10.000	€ 20,000.00
ELTR annual transplant registry	€ 10,000.00
Special Interest Group Fatty liver	€ 6,000.00
Special Interest Group Graft Injury Group	€ 6,000.00
Special Interest Group Congenital Porto-Systemic Shunts	€ 6,000.00
Application from Fatty Liver SIG MTA / DTA application budget to support projects	€ 4,000.00
Special Interest Group Portal Hypertension	€ 6,000.00
Total Budget estimate	€ 58,000.00

- Additional comments on financial report:
