C. WG Publications / Guidelines / Position Papers

(i) Completed

(one table per publication – please just copy and paste the tables as often as needed)

Publication ID <i>(to be filled in by Office)</i>	
Full Publication Title	Pediatric Eosinophilic Esophagitis: Results of the Retrospective Pediatric Eosinophilic Esophagitis Registry (RetroPEER)
Publication Timeline and Status of Paper	Published: J Pediatr Gastroenterol Nutr. 2019 Apr;68(4):552-558

Publication Leader	Assaf Hoofien et al (last author Noam Zevit)			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Publication ID <i>(to be filled in by Office)</i>				
Full Publication Title	Sustained Remission of Eosinophilic Esophagitis Following Discontinuation of Dietary Elimination in Children			
Publication Timeline and Status of Paper	Published: <u>Clin Gastroenterol Hepatol.</u> 2019 Mar 15. pii: S1542-3565(19)30272-1			
Publication Leader	Assaf Hoofien et al (last author Noam Zevit)			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

- (i) **in progress**
(one table per publication – please just copy and paste the tables as often as needed)

Publication ID <i>(to be filled in by Office)</i>				
Full Publication Title	Update of the ESPGHAN Position Paper on EoE			
Publication Timeline and Status of Paper	Final step of preparation . Voting of the statements and recommendations is completed. Preparation of the manuscript – in progress			
Publication Leader	Jorge Dias			
Publication Type	<input type="checkbox"/> Guideline	<input checked="" type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input type="checkbox"/> Other
More information if available				

Full Publication Title	Differences in implementation of guidelines on diagnosis and treatment of Eosinophilic Esophagitis (EoE). An overview of current pediatric and adult GI practice in Europe.
Publication Timeline and Status of Application for Paper	E-Poster presentation at the ESPGHAN 2019 meeting Preparation of the manuscript – in progress

Publication Leader	Saskia Vande Velde			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	Characterization of Eosinophilic Esophagitis in a multicenter patient population from the European Pediatric Eosinophilic Esophagitis Registry (pEER) of ESPGHAN			
Publication Timeline and Status of Application for Paper	Oral presentation at the ESPGHAN 2019 meeting Preparation of the manuscript – in progress			
Publication Leader	Salvatore Oliva			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

(i) **future topics considered in 2020**

(one table per publication – please just copy and paste the tables as often as needed)

Full Publication Title	Joint ESPGHAN/NASPGHAN Guidelines on Eosinophilic Gastrointestinal Disorders			
Publication Timeline and Status of Application for Paper	Start in September 2019 (as soon as the project is approved by NASPGHAN) End in December 2020 Submission until 30 June 2021			
Publication Leader	ESPGHAN: Alexandra Papadopoulou; NASPGHAN: Glenn Furuta Other authors: <ul style="list-style-type: none"> • From ESPGHAN: Noam Zevit, Jorge Dias, Rok Orel, Carolina Gutierrez-Janquera, Salvatore Oliva, Marcus Auth, Gabor Veres, Nikhil Thapar • From NASPGHAN: Chris Iacouras, Sandeep Gupta, Calies.Menard- Katcher, Mirna Chehade • Invited experts: Mario Vieira (Brazil), Yoshikazu Ohtsuka (Japan); Marc Rothenberg (allergist - US); Dan Atkins (allergist - US); Margaret Collins (pathology - US); Nirmala Gonsalves (adult GI - US); Evan Dellon (adult GI - US); Alex Straumann (adult GI - Eureos); Arjan Bredenoord (adult GI - Eureos) ; Fatima Carneiro (pathologist) 			
Publication Type	<input checked="" type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input type="checkbox"/> Other
More information if available				

D. Research projects in progress or due to start

(i) Research projects in progress

Full Publication Title	Systemic steroids have a role in the treatment of severe stricures in pediatric eosinophilic esophagitis			
Publication Timeline and Status of Application for Paper	Completed. Data analysis			
Publication Leader	Noam Zevit			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	Determination of the density of eosinophils in gastrointestinal biopsies in children with normal endoscopy and with no diagnosis of an organic disease: A European, multicenter, retrospective study.			
Publication Timeline and Status of Application for Paper	Data collection			
Publication Leader	Alexandra Papadopoulou			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	Association of childhood Helicobacter pylori infection with upper gastrointestinal eosinophilia and Eosinophilic Esophagitis			
Publication Timeline and Status of Application for Paper	Final step of preparation of the protocol for Ethical Approval			
Publication Leader	Alexandra Papadopoulou and Nicolas Kalach			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	Eosinophilic Esophagitis Steroid Safety Study - EESSY study - a collaborative prospective safety study on side effects of topical steroids			
-------------------------------	--	--	--	--

Publication Timeline and Status of Application for Paper	Final step of protocol preparation			
Publication Leader	Noam Zevit and Salvatore Oliva			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	The Eosinophilic Gastrointestinal Disorders Biobank			
Publication Timeline and Status of Application for Paper	Final step of protocol preparation for grant application and Ethical Approval			
Publication Leader	Salvatore Oliva			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available				

Full Publication Title	Stop Eosinophilic Esophagitis treatment in Pediatrics (STEEP) (a study to assess the ability to withdraw therapy after prolonged remission.)			
Publication Timeline and Status of Application for Paper	In preparation of the protocol			
Publication Leader	Noam Zevit			
Publication Type	<input type="checkbox"/> Guideline	<input type="checkbox"/> Position Paper	<input type="checkbox"/> Update of existing paper	<input checked="" type="checkbox"/> Other
More information if available
